The President's Corner

Welcome back to another exciting ball season here at Bayshore Little League! Through proper guidance and exemplary leadership, the Bayshore Little League program assists youth in developing the qualities of citizenship, discipline, teamwork, and physical well-being. By espousing the virtues of character, courage, and loyalty, the Little League Baseball and Softball program is designed to develop superior citizens rather than superior athletes. We look forward to having your child be a part of this community. As we arrange our family schedules for this Spring, remember that getting outside and participating in a team activity like baseball or softball is a good chance to spend quality time with our children.

See you at the park!
